

## Request for Transit pilotage

When ordering pilotage through Danish waters please send your request to DanPilot:

- At **danpilot@danpilot.dk**
- At least **18 hours prior to ETA**

When ordering please provide the following information:

- a) the name, call signal and IMO number of the vessel,
- b) the gross tonnage, length, width, draught and transit speed of the vessel,
- c) the type of cargo including IBC codes,
- d) the expected time of arrival of the vessel to the location, from which the pilotage is requested,
- e) the location to which the pilotage is requested,
- f) any faults and/or deficiencies relevant for the manoeuvrability of the vessel,
- g) the contact details of the person or company sending the request,
- h) payers information

Please include additional relevant information, e.g. regarding planned bunkering or if stores are to be taken aboard during the passage and inform about geographical location and expected duration
