Port pilotage

YOUR TIME, YOUR SAFETY – OUR COMMITMENT

PREAMBLE

At DanPilot, our aim is to ensure an optimal pilotage operation for our customers, adhering to the expectations of all parties involved with regards to time, safety and reliability.

As of July 1st 2018, the applicable rates for port pilotage service covering Danish ports are adjusted, and our products are amended to reflect the requirements of our customers and the shipping industry for fixed pricing and dependable service.

As a result of this, the Change Order Fee is suspended and will not be part of our Products and Prices 2018.

For calculation of the newly adjusted rates, please refer to our website www.danpilot.dk, in addition to below explanation of adjusted rate policy for port pilotage service in 2018:

RATE STRUCTURE

The applicable rate charged for a given port pilotage is calculated based on the following elements:

Basic fee

The basic fee is dependent on the firm notice given, and on the nature of the operation, as per below "Ordering Pilotage"

Vessel fee

Vessel fee is calculated based on the dimensions of the vessel, and the draft during pilotage.

Mileage

A fixed fee per nautical mile sailed during pilotage.

Travelling expenses

A 7% charge levied on the above elements, covering the expenses and time associated with the transport of the pilot to/from the vessel.

ORDERING PILOTAGE

When calculating the rate of the pilotage service provided, below types of orders are considered:

PILOTAGE INTO PORT

Standard order Standard order rate is applied (Basic fee kr. 4.470)  Minimum 24 hrs. notice

PILOTAGE FROM PORT OR SHIFTING* OPERATION

Early order Early order rate is applied (Basic fee kr. 3.570)  Minimum 7 hrs. firm notice

Standard order Standard order rate is applied (Basic fee kr. 4.470)  Minimum 4 hrs. firm notice

Urgent order Standard order rate + 30% (Basic fee kr. 4.470)  Less than 4 hrs. firm notice

Orders not meeting above notice requirements (24 hours / 4 hours) are served to the greatest extent possible within the requested ETA/ETD. DanPilot reserves the right to refuse pilotage service in the event that the provided notice is shorter than the required notices.

Upon forfeiture of Early order rate (e.g. by way of later amendments to ETD), same can not be re-earned regardless of subsequent notice lengths.

*Basic fee does not apply to shifting operations which is based on Vessel fee. Urgent Order for shifting operations (<4hrs notice will be added +30%.)

As of July 1st 2018, minimum fee for shifting will be kr. 5.850,-
