Special Operations

YOUR TIME, YOUR SAFETY – OUR COMMITMENT

PREAMBLE

At DanPilot, our aim is to ensure an optimal pilotage operation for our customers, adhering to the expectations of all parties involved with regards to time, safety and reliability.

As of January 1st 2020, our products and prices will remain unchanged from 2019.

In case of questions, please contact our Customer Relations department at customer@danpilot.dk for assistance.

RIG MOVING - PORT

Towage of offshore drilling rigs, accommodation platforms or similar structures into or out of Danish ports. (only to/from official port pilotage mark): DKK 109.500,-

- Operation includes two pilots with necessary pilot equipment and training, participation in pre-planning and toolbox meetings.

Pilotage of rig into/out of port is deemed completed upon either final destination or soft pinning. In case of soft pinning, additional work will be invoiced as a shifting operation.

RIG MOVING - SHIFTING IN PORT

Shifting in port of offshore drilling rigs, accommodation platforms or similar structures in Danish ports: DKK 33.700,-

Includes a maximum of 5 hours work. For additional working time, same will be charged at DKK 3.900,- per commenced hour

RIG MOVING - TRANSIT

Towage of offshore drilling rigs, accommodation platforms or similar structures in transit through Danish ports: Contact Customer Relations for pricing

- Operation includes two pilots with necessary pilot equipment and training, participation in pre-planning and toolbox meetings.

TOWAGE OF NON-SELFPROPELLED UNIT - PORT

Towage of barges, dead ships or other units with no (or insufficient) own propulsion into or out of Danish ports. (only to/from official port pilotage mark): As per online rate calculator + towage fee DKK 3.150,-

Subject to DanPilot Standard Ordering Notices for Port Pilotage – please refer to DanPilot Products & Prices 2019 – Port for full details

TOWAGE OF NON-SELFPROPELLED UNIT - SHIFTING IN PORT

Shifting of barges, dead ships or other units with no (or insufficient) own propulsion inside Danish ports: As per online rate calculator (shifting) + towage fee DKK 3.150,-

Subject to DanPilot Standard Ordering Notices for Port Pilotage – please refer to DanPilot Products & Prices 2019 – Port for full details

TOWAGE OF NON-SELFPROPELLED UNIT - TRANSIT

Towage of barges, dead ships or other units with no (or insufficient) own propulsion through Danish waters. (not applicable for rigs, platforms etc.): Contact Customer Relations for pricing

ON CALL FEE / ON CALL DISCOUNT

As per January 1st 2020, Towage of Non-Selfpropelled Units in Port or Shiftings will be subject to an “On Call Fee” (2020: DKK 2.500,-) which is added to the invoice. When the ordering/update notices required are fully met (TO PORT: at least 12 hours fixed notice/ FROM PORT: at least 4 hours fixed notice), an equal “On Call Discount” will be added to the same invoice, fully negating the effect of the On Call Fee.

In the event that the required notices are not met, the On Call Discount will not be provided. In case of URGENT ORDER pilotage, On Call Fee / On Call Discount will not apply. On Call Fee / On Call Discount does not apply to Rig Moving, Refloating of Grounded Units, Emergency Operations or Advisory Services / Simulation Participation.

REFLOATING OF GROUNDED UNITS

Refloating of unit which has ran aground inside Danish ports or in Danish waters: DKK 50.000,- + expenses

- Expenses for use of pilot boat will be invoiced as per our Service Trip fee. Piloted nautical miles will be charged as per Rate Calculator.

EMERGENCY OPERATIONS

Assistance to vessel in need of emergency assistance (non-life-threatening situations). E.g. collision, salvage etc.: DKK 50.000,- + expenses

- Expenses for use of pilot boat will be invoiced as per our Service Trip fee. Piloted nautical miles will be charged as per Rate Calculator.

PARTICIPATION IN SIMULATION

Participation of an authorized pilot in simulation exercises: (per commenced hour – 12 hours per working day) DKK 1.950,-

- Travelling, food and hotel charged as per supporting invoices.

PARTICIPATION IN MEETINGS / ADVISORY SERVICES

Participation of an authorized pilot in meetings (e.g. planning meetings, port expansion projects etc.) (per commenced hour) DKK 1.370,-

- Travelling and preparation is charged per hour.
