Transit pilotage & related services

YOUR TIME, YOUR SAFETY – OUR COMMITMENT

PREAMBLE

At DanPilot, our aim is to ensure an optimal pilotage operation for our customers, adhering to the expectations of all parties involved with regards to time, safety and reliability.

As of January 1st 2018, the applicable rates for transit pilotage and related services covering Danish straits are adjusted, and our products are amended as per below.

For calculation of the newly adjusted rates, please refer to our website www.danpilot.dk, in addition to below explanation of adjusted rate policy for transit pilotage and related services in 2018:

RATE STRUCTURE

The applicable rate charged for a given transit pilotage is calculated based on the following elements:

Basic fee

The basic fee is a standard fee for all transit pilotages (2018: DKK 4.470)

Vessel fee

Vessel fee is calculated based on the dimensions of the vessel, and the draft during pilotage

Piloted nautical miles

A fixed fee per nautical mile sailed during pilotage

Travelling expenses

A 7 % charge levied on the above elements, covering the expenses and time associated with the transport of the pilot to/from the vessel

ORDERING PILOTAGE

When calculating the rate of the pilotage service provided, below types of orders are considered:

TRANSIT PILOTAGE

Pilotage on various distances through Danish straits.

DanPilot - Transit

One pilot is supplied on board

 Minimum 18 hrs. notice

If two pilots are requested on the distances Gedser - Skagen and Bornholm - Skagen (or vice versa), a guaranteed nonstop option with two pilots onboard is available at a fixed price as an addition to the basic rate structure as per below

DanPilot - Nonstop Gedser-Skagen Two pilots are supplied on board for nonstop

DKK 8.000

DanPilot - Nonstop Bornholm-Skagen Two pilots are supplied on board for nonstop

DKK 10.000

Nonstop pilotage must be ordered with 18 hours notice to ETA.

STS PILOTAGE

Pilotage in relation to ship to ship operations in Danish straits.

STS pilotage is calculated with a fixed STS fee as an addition to the basic rate structure as per below.

STS fee

Frederikshavn, Kalundborg & Skagen STS Area

DKK 6.390

Orders not meeting above notice requirements are served to the greatest extent possible within the requested ETA. DanPilot reserves the right to refuse pilotage service in the event that the provided notice is shorter than the required notices.

BUNKERING

Pilotage of bunker vessels in relation to bunkering operations in Danish straits.

Pilotage is calculated with a fixed Bunkering fee as an addition to the basic rate structure as per below.

Bunkering fee Copenhagen, Kalundborg & Skagen Anchorage DKK 1.890

Bunkering pilotage must be ordered with 18 hours notice to ETA.

WAITING TIME

Waiting time is added to the invoice in the event that a pilotage is not commenced within 30 minutes of the accepted ETA/ETD, or in the event that the pilotage is halted due to weather, provisioning, bunkering, machinery repairs or any other reason not due to the pilotage operation or the navigation of the Vessel, and the pilot remains onboard.

Waiting time Per commenced hour or part thereof DKK 1.950

Waiting time is charged per hour or part thereof, until the pilotage is commenced

CANCELLATION

In the event that an order is cancelled, the following fees are imposed.

Order cancelled until 18 hours before ETA

No charge

Order cancelled with less than 18 hours before ETA

Cancellation fee (DKK 3.500)

COMPENSATION FOR LATE ARRIVAL OF PILOT

In the event that the pilot commences* the pilotage later than the accepted ETA by more than 30 minutes, having received at least 18 hours firm notice to the actual ETA, and the delay is not caused by faults/errors or omissions by the customer/vessel/agent or their servants, DanPilot will subtract a compensation for late arrival of pilot on the rate of the pilotage.

25 % discount on the rate of the pilotage is deducted

A pilotage is deemed commenced upon the pilot setting first foot on the pilot ladder.

SERVICE TRIPS

For assistance with on-/offsigners by use of DanPilot pilot boats, or delivery of parcels to transiting vessels.

Service trips are invoiced based on time spent as per below.

Service trip Per commenced hour DKK 5.000

Service trips must be ordered with 18 hours notice to ETA.
